Comments

This submission consists of documents intended to constitute a continuation of application serial no. 09/189,159, filed Nov. 9, 1998, titled "Account Authority Digital Signature (AADS) System," now allowed. As such, the submission consists of the same substitute specification as filed in that parent application; a copy of the original assignment (which has already been recorded at Reel/Frame 9755/0968); a copy of the Rule 3.73 Statement and Power of Attorney of the assignee, First Data Corporation; and a copy of the original declaration of the inventors. It is not believed that the assignment needs to be re-recorded, but for the record the undersigned submitting attorney, John R. Harris, using this new ePAVE filing system, submits that he could not determine how to attach an electronic copy of the assignment for the record without ePAVE forcing a new assignment submission and charging the \$40 fee for recording.
